

BOXED STORAGE CASSETTES

Boxed storage cassettes are specifically designed to ensure absolute safety when handling all types of consumables. Combined with fully opening gates, secure locking system, cargo net protection, light weight design, internal tie down point, rated lifting lugs and tine pockets. **Boxed storage cassettes** can be loaded on top of or below all cassette options to further increase space for transporting consumables. **Boxed storage cassettes** are a complete containment and stability solution.

- FULLY OPENING SWINGING GATES
- SAFETY GATE LATCHING SYSTEM
- INTERNAL TIE DOWN SYSTEM
- HEAVY DUTY CARGO NET PROTECTION
- HIGH QUALITY STEEL MESH WALLS
- LIFTING CERTIFIED PRODUCTS
- LIGHTWEIGHT ENGINEERING
- RATED LIFTING ARRANGEMENTS
- PIPESAFE INTERLOCKABLE DESIGN
- INTERGRATES WITH 3M, 6M & 12M SYSTEM
- ANTI-DROPS SYSTEM FOR LOAD PROTECTION
- STACKABLE MULTI-LEVEL TRANSPORT
- SECURE LOADING ARRANGEMENTS
- UNCONTROLLED MOVEMENT CONTROL SYSTEM
- DROPPED OBJECTS CONTROL SYSTEM
- SPOTTER FREE HANDLING SYSTEM
- HANDS-FREE DEVELOPED DESIGN
- HIGH PERFORMANCE SAFETY DEVICES
